

Late Pass Coupons

It is very important to convey your late policy to parents/caregivers from the time they interview with your program. At the same time, things do happen which make parents/caregivers late for pickup. Use these late passes as you see fit to give them a "pass" at paying your normal late fee one time. Fill in the amount and minutes to make them aware of the value of the pass.

Late Pass

I understand that "things happen" so here is a late pass you may use to cover 15 minutes beyond my normal closing time at no additional fee. This pass is only good for 15 minutes and may only be used once. Consider this a "bonus prize!"

My normal late pick up charge is \$ _____ per _____ minutes.

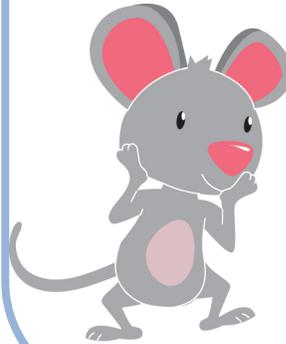

If you are not going to be able to pick your child up before closing time, you must notify me immediately. As I am sure you can understand, my family time is very valuable to me and I also want to make sure I have time to plan for the next day's activities after the children leave for the day. Thanks for understanding!
