

FREE Training Opportunity for FCC Providers

Please plan to join Gee Whiz Education for our informative, “Introduction to Gee Whiz” training webinar **Tuesday, August 23, 2016 from 7:30 - 8:30 PM EDT**. During this interactive webinar, participants will learn more about our unique approach to teaching and learning for FCC programs. Over the course of the hour, we will cover the following topics:

- History behind Gee Whiz & Why We Are Different
- How Gee Whiz Addresses All Ages & All Developmental Areas
- Tips for Individualizing the Curriculum
- Anecdotal Notes & Reflections
- Research & Philosophy on Which Gee Whiz is Based
- How Gee Whiz Addresses Character Education
- Overview of Each Curriculum Component
- Q&A...you ask the questions and we answer them in real time!

Gee Whiz is
aligned with
State & National
Quality Standards

To register, simply use the registration link below:

Registration Link: <https://attendee.gotowebinar.com/register/3452898995843051012>

Can't make that date/time? Now worries! A previously recorded webinar is available on our website in the Video Gallery. Plus, check out our digital 2016-2017 catalog under the “Our Product” tab.

We look forward to having you join us!
